

The Bier House St Peter's Church Green Lane Formby

St Peter's promotes a positive approach to daily living with memory loss/dementia, offering an holistic programme helping carers to manage daily behaviour, access benefits/legal advice and other services, and promoting sustained wellbeing.

The Singing For Fun group, hosted by our dementia support team is usually held on the first Monday of the month 2-3.30 and welcomes both carers and cared for. No special skills required just come along and have fun.

At Easter, Harvest and Christmas, relaxing, shorter services are also held, and many of our Church groups are dementia friendly too.

Local bus and transport is easily accessible, the Formby Circular stops right outside the Church, and main bus routes stop just a short walk away. Free parking is available.

For further information, please contact our Parish Office on 01704 871171, or email stpetersformby@gmail.com.

EVERYONE WELCOME
