This is what the Road to Emmaus looked like.

This is an image of that same road and how it looked then.

It wasn't like our roads are today, it didn't have tarmac to make the ground on the road smooth.

It was rocky and most of the time when through valleys or mountains and was difficult to walk on and only form of transport were donkeys who could manage the rough terrain.

We have areas like this in our country in the Lake District and Peak district.

This Picture is of a path in the lake district.

They look very similar.

I wonder:

if you have been walking in the Lake District with your parents?

How you felt when you were walking, lonely, happy, wondering what was

up ahead on the road?

Just like the people in the picture Jesus friends where probably feeling all these things as they walked alone the lonely road/ path.

When they got to the village, after walking with Jesus for a while and not knowing it was Jesus, they welcomed the stranger into the house to eat with them.

The scene may have looked like this as Jesus broke the bread and gave it to them.

I wonder:

Have you ever seen someone you know and not recognised who they were?

The strange thing is after he broke bread he disappeared!!

I wonder:

If you had been in that room and Jesus had disappeared Just after you recognised him how would you feel?

- Prayers

Jesus broke bread with his friends and said “Remember me, this is my body”

Ask your Mum or Dad for a piece of bread or a cracker

Then break it into pieces for as many things as you want to pray for.
Then say a pray for and eat the bread.

Here are a few ideas what to pray for.

Make Bread

A simple way of making bread is to buy a Pizza base packet from the supermarket and follow the instructions.

Or you can find a simple recipe on the internet.
